Postmortem ID & Containment

PDC Healthcare is the preferred choice for identification, storage, and containment of cadavers. Our ankle bands and postmortem bag products provide peace-of-mind while meeting the respectful standards desired in caring for the deceased. Secure tri-laminate ankle bands are available in adhesive closure with assorted colors to aid with classification. Cadaver bags and kits are available in curved and straight zipper design. Select curved or straight zipper designs. Zippers are rustproof.
