

# Pharmacy HIPAA Compliant Labels

Best Sellers

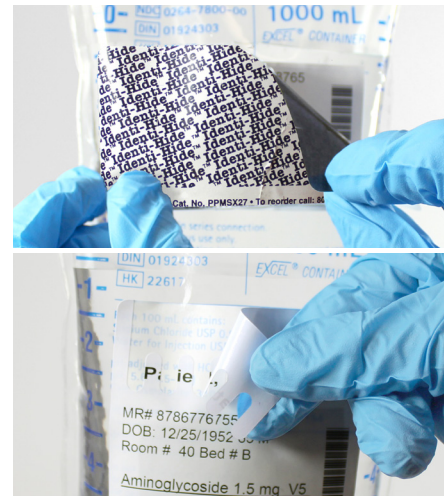

Protect patient privacy with easy-to-use labels.

To help your pharmacy comply with the HIPAA Privacy Rule for securing protected health information (PHI), PDC offers HIPAA compliant labels. These convenient labels make it easy to de-identify IV medication bags and containers that contain patient information and help your organization meet patient privacy and security standards.

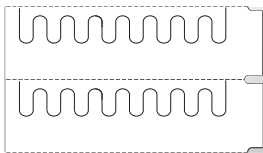

- » HIPAA compliant
- » Obscures private health information (PHI)
- » Ensures patient privacy
- » Easy to use
